CARSTENSZ

CARSTENSZ-BASECAMP-GUESTHOUSE „DUGUDUGU“ (4340 meter)

Visit this fantastic tropical mountain-paradise with us!

DUGUDUGU is the local Dani-Lani-name for „Ice-mountain“!

Build in 2010, this nature-friendly DUGUDUGU-Guesthouse offers an unforgettable stay at the highest altitude throughout the PACIFIC/OZEANIA continent - just 100 meters away from spectacular equatorial glaciers!

All our tours start/end in Timika and last for about 12 to 14 days!

We operate such tours several times a year and/or on special request.

For more infos, please visit: www.carstensz-summit.de

THE BALIEM VALLEY RESORT

We are the creators and pioneers of these **PAPUA ECOTOURISM** projects! The local communities will love to welcome and to serve you!

ASMAT

TREEHOUSE-GUESTHOUSE „MANOPTEROPO“

Explore the hidden stoneage world of remote jungle-tribes within boundless rainforests with us! Stay in traditional treehouses up to 25 meters and explore an unbelievable lifestyle! Dr. Weiglein founded this ECOTOURISM-project together with the KURUWAI-tribe from the upper eastern Siret-Region.

MANOPTEROPO means „very good“ in the local Kuruwai language!

Already the air-, river- and land-approach to „MANOPTEROPO“ is absolutely unforgettable! All tours start/end in THE BALIEM VALLEY RESORT in Wamena and last minimum 6 days! With minimum 2 guests this fascinating trip can be arranged! More informations: www.papua-explorer.de

MAMBERAMO

BIODIVERSITY-TRAIL „MAMBERAMO“

Discover one of the worlds most fascinating „HOT SPOT“ for flora+fauna-diversity! Stay in beautiful jungle-tent-camps and explore a terrific BOTANICAL-ZOO with us! All tours start/end at THE BALIEM VALLEY RESORT in Wamena and last about 6 days! With minimum 2 guests this pure nature-adventure can start!
